Jérémie NAUDÉ

ORCID: 0000000157816498

IDHAL: jeremie-naude

IDREF: 150585403

Current position

2021: **CNRS Permanent Researcher**, Physiopathology of Neuronal Plasticity lab, Montpellier.

Previous positions

2016-2021: **CNRS Permanent Researcher**, NeuroPhysiology and Behavior lab (Sorbonne Université, Paris, France).
2012- 2016: **Post-doctoral fellow** (CNRS/SU, Neurophysiology and Behavior lab).
2010- 2012: **Temporary professor and researcher ("ATER")** at UPMC (Paris, Delord lab).
2007- 2010: **PhD student** at UPMC, France (ISIR), supervision: Bruno Delord.

Education

2022: **Habilitation to Direct Research (HDR)** at Sorbonne University.
2010: **Ph.D. in Computational Neurosciences** at UPMC, France, dir. B. Delord.

Fundings

As coordinator: 80PRIME MITI CNRS 2024 « NeuroJac » (Partner M. Belkaid, Cergy U.) ; ANR 2023 « TimeTag » (Partners B. Delord Sorbonne U., S. Trouche Montpellier).
As Partner/WP management: Eq-FRM (2023, PI J. Perroy) ; ANR 2024 (PI E. Hosy) ; ANR 2022 (PI J. Perroy) ; ANR Eq-FRM (2019, PI P. Faure) ; Eq-FRM (2013, PI P. Faure) ; INCA 2019 (PI P. Faure) ANR 2018 (PI U. Maskos) ; ANR 2017 (PI P. Faure).

Positions of trust

Since 2026 : Elected member of Scientific Council for Montpellier Faculty of Medecine.
Since 2023: Member of the Governing Council for the French Society for Neuroscience.
2022-2025: Elected member and Scientific Secretary for the 28 (then-26) comittee of CoNRS.
2014-2017: Elected Lab council member.

Mentoring

6 PhD students: Elise Bousserol (PhD 2022), Mathieu Sarazin (PhD 2022), Coline Chevallier (started 2023), Juan Cobos (started 2024), Emma Debos (started 2025), Asma Fadil (started 2025).
14 Master students, 12 undergrad students.
